

EMPOWERING LEADERSHIP FOR SCHOOL LIBRARIANS THROUGH INNOVATIVE PROFESSIONAL PRACTICE

Through their professional practice, programs, and spaces, school librarians lead, teach, and support their school or district's Future Ready Schools® (FRS) goals. Derived from the FRS framework, the principles described in this document highlight how school librarians support schools in transitioning to student-centered learning and identify special ways librarians can become future ready. By aligning with strategic initiatives like FRS, librarians connect their practices, programs, and spaces to educational innovation in schools.

Leveraging actions from the Future Ready Librarians framework puts school librarians on the leading edge of the digital transformation of learning.
